LEAF: 142

REVISION: 2

SUPERSEDING REVISION: 0

GENERAL INFORMATION**12. CHARGES FOR SPECIAL SERVICES (Continued)****12.3 CHARGES FOR BILL HISTORY INFORMATION**

An ESCO that is authorized by a customer to receive usage and billing information may request and will be provided a statement of the account's usage and billing information as provided in the UBP, which states the period to be covered by the statement that will be provided without charge.

An ESCO which affirms electronically or in writing that has received written authorization from a customer to receive credit information may request and will be provided such information in accordance with the UBP, which states the period to be covered by the statement that will be provided without charge.

The Company will charge \$15.00 per account per year of information when usage and billing information and/or credit information is requested beyond that provided at no charge.

The Company will not disclose customer information to an ESCO if the customer has given advance notification to the Company in writing that such information should not be disclosed.

12.4 CHARGES FOR OTHER SERVICES

Charges are made for all other special services rendered, which charges are composed of Company costs of labor, direct supervision, insurance, transportation, applicable overheads on the above, plus repair parts at current list prices.

12.5 COMMUNITY CHOICE AGGREGATION (CCA) PROGRAM

A CCA Program allows municipalities (villages, towns and cities) to aggregate the usage of eligible CCA customers (residential and small non-residential customers) within a defined jurisdiction in order to secure an alternative energy supply contract on a community-wide basis.

(A) In accordance with Orders issued in Case 14-M-0224, before requesting customer data from the utility for participation in a CCA Program, the municipality or their designee (CCA Administrator or ESCO) must:

- (1) sign a data security agreement acceptable to the Company, and
- (2) have an approved implementation and data protection plan and certification of local authorization approved by the New York State Public Service Commission.
