GENERAL INFORMATION - Continued**IV. Special Services Performed by the Company for Customers at a Charge - Continued****3. Special Services at Stipulated Rates - Continued****(c) Request for Aggregated Company Records - Continued**

All requests for Company records will be subject to the following terms and charges:

- (1) Building-level Data, provided solely in aggregate form, without revealing particularized or identifiable Customer information. A Request for information may be made by: the address served by the Company; the building identification number ("BIN") assigned to the building by the New York City Department of Buildings; or the borough, tax block and tax lot ("BBL") number assigned to the property by the New York City Department of Finance.

There is no charge for requests for information covering the lesser of 24 months or the months of data in the Company's database of current Customers, independent of the number of addresses or buildings associated with the BIN or BBL number. The charge is \$102.50 per hour of Company labor (calculated in half-hour increments and rounded up to the nearest half-hour) for archived information.

- (2) Tenant-level Data, provided for all directly-metered accounts in the building for which the Company has received written consent from the Customer authorizing the release of information to the building owner or its agent

The charge is \$102.50 per hour of Company labor (calculated in half-hour increments and rounded up to the nearest half-hour).

- (3) All requests for building-level or tenant-level data must be made in writing and must state the relationship of the requestor to the building and the reason the information is being requested. The Company will comply with requests within 15 business days or within a reasonable period thereafter if the Company receives multiple requests during such timeframe.
- (4) If building-level or tenant-level data is requested for both gas and electricity in a building receiving the Company's gas and electricity service, half of the applicable charge will be allocated to the gas service and half to the electric service.

4. Community Choice Aggregation ("CCA") Program

A CCA Program allows municipalities (villages, towns and cities) to aggregate the usage of eligible CCA customers (residential and small non-residential customers) within a defined jurisdiction in order to secure an alternative energy supply contract on a community-wide basis.
