CPCC\*

A. Per Unit Value

CPCC is valid until (i) on the date which has been printed on the card, or (ii) if no expiration date is printed on the card, on the date announced to the card holder after the card holder enters his or her PIN; or (iii) otherwise communicated to the cardholder by Primus or until the balance on the card is \$0.00, whichever occurs first. The expiration date shall be one year from the last day of the calendar month during which the Card was issued. Primus shall not issue a refund on any amounts left on the card past its expiration date. Calls are billed in 1-minute increments. Cards are available in various unit denominations. The number of minutes of use for each card shall be the maximum number of minutes at the rates set forth below, covered by the Primus-fixed dollar value of the card. The per unit value listed below excludes any local taxes or surcharges.

Primus may immediately, and without prior notice to the Customer or the Cardholder, terminate the Recharge option for a particular PIN for any of the reasons for disconnection applicable to other Services and specified in Section 2 of this Tariff. In the event the Recharge option is terminated for a particular PIN, Primus shall not be obligated to pay the customer for any Recharge Payments associated with that PIN.

Unless stated otherwise in this tariff, a 2-unit surcharge will be added to all CPCC calls that originate at payphones. The surcharge will be assessed in addition to any other rates and fees.
