SECTION 5 - MISCELLANEOUS SERVICES AND CHARGES (CONT'D.)

5.4 Critical Facilities Administration Service (Cont'd.)

5.4.4 Rates and Charges

A. Enhanced Design Layout Record (Circuit Layout Record)

Per circuit \$50.00

B. Hourly Charges

Rates for a schematic/map layout are contained reflect the hourly rate that will be charged to the CFAS subscriber per circuit subscribed. The Company will give the Customer a good faith estimate of the time needed to perform the requested service. The Customer will be billed those charges, along with the tariffed rates established by any connecting carrier for the service.

Per hour \$47.00
