11.1.30 IntraLATA Toll Telecommunications Services (Cont'd.)

F. Global Access Direct Service

Global Access Direct Service is an outbound calling plan that is accessed via a company designated toll-free access number. Calls are billed in six (6) second increments following a minimum billing period of thirty (30) seconds. There are no minimum monthly usage requirements, however, Customers spending less than \$50.00 will be billed a monthly charge of \$5.00. The plan does not require that the Customer be presubscribed to Primus, nor does it require an authorization code. The plan only requires that the calling number be recognized as belonging to Global Access Direct Subscriber. Calls from non-equal access areas, cellular phones, or any other form of call origination that fails to deliver automatic number identification (ANI) to Primus, will be blocked. Intrastate service is offered in conjunction with Interstate service. The company reserves the right to periodically review its usage records to ensure that Customers are subscribed to the plans that best align with their demonstrated volumes.

G. Primus Passport Postpaid Service

Primus Passport Postpaid Service is available in conjunction with other Primus services, or as a stand-alone offering. The service is typically used for originating telephone calls while away from home or office. Service is accessed by dialing the Company-designated toll-free access number, a valid authorization code, and the destination number. Depending on the rate plan, calls are either billed in (a) six (6) second increments following a minimum billing period of thirty (30) seconds, or (b) sixty (60) second increments following a minimum billing period of sixty (60) seconds. Intrastate service is offered in conjunction with Interstate service.

Enhanced calling features are available with Primus Passport & Postpaid Service. These services may involve additional charges.
