BA. Operator Assisted Services

The Company provides the Customer operator assisted services on a per call service charge basis. In addition to the per call service charge, mileage-sensitive usage rates apply. The Company's operator services are accessible on a twenty-four (24) hour per day seven (7) days per week basis. The use of the Company's operator services allows the Customer to select from the special handling or billing arrangements specified within. Call rates and applicable service charges will be assessed to the call originator, the called party's telephone number based on the call type (operator dialed, collect, third party billed, credit card billed or Customer dialed credit card billed without the use of an operator's assistance) initiated by the call originator and the appropriate acknowledgment of other parties, where applicable.

BB. Directory Assistance

Long Distance Directory Assistance charges apply on either a per call or per minute basis for each call to the Directory Assistance Bureau. Up to two requests may be made on each call to Directory Assistance. The Directory Assistance charge applies regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number.
