## GENERAL RULES

### 24. Service Classification Riders (Available on Request) - Continued

#### RIDER P – PURCHASES OF INSTALLED CAPACITY - Continued

##### E. Penalty for Non-compliance

If the Company is assessed a deficiency penalty by the NYISO, the Company will assign a prorata share of the penalty to Customers who failed to perform as committed.

##### F. Metering

Each Customer's entire service must be measured by one or more Interval Meters, and Customers must maintain any associated pilot wiring in good working order. If the Customer's service is not measured by one or more Interval Meters, provided in connection with other Company service requirements, the Customer shall arrange for the furnishing and installation of Interval Metering with telecommunications capability, and arrange for telecommunications service, at the Customer's expense, net of any available discount or rebate received by the Customer, before commencing service under this Rider. Where the Customer contracts for Load Delivery, such delivery must be separately metered.

##### G. Interconnection and Delivery for Load Delivery Customers

A Customer who contracts to provide Load Delivery must comply with all Common Provisions of SC 11, including the Interconnection Charge and Determination of Demand, including establishment of a contract demand and installation of appropriate metering to measure the energy delivered to the Company's system. Further, such Customer is required to pay charges as would be required of Customers taking service under SC 11. The Customer will pay any costs associated with reinforcing the distribution system and/or adding facilities as may be required for Load Delivery. Load Delivery to the Company's secondary networks is prohibited.

##### H. Term

Applications under this Rider will be for one Capability Period (summer or winter) or for the remaining months in the Capability Period if service under this Rider begins subsequent to commencement of the Capability Period. A contract under this Rider will be effective on the first day of the calendar month following the Company's acceptance of the Customer's application and the NYISO's acceptance of the Company's Special Case Resources application. The term will expire on the last day of the Capability Period.

##### I. Restrictions as to Availability of this Rider

Service under this Rider is not available to Customers receiving service under Rider V.
