Superseding Revision: 0

SECTION 7 - OTHER SERVICE ARRANGEMENTS, (CONT'D.)

7.3 FLAT RATE TOLL PLAN

The Flat Rate Toll Plan offers customers discount toll rates for intrastate calling. This plan has no monthly recurring charge, and the customer must meet only the \$500 monthly billing minimum for all combined services. The Flat Rate Toll Plan may also be used in conjunction with other calling plans. Customers must have US LEC selected as both their intraLATA and interLATA Primary Interexchange Carrier (2-PIC) in order for US LEC to be able to properly rate the calls.

| Type of Call | Minimum Per Minute | Maximum Per Minute |
|---------------------------|-----------------------|-----------------------|
| Intrastate InterLATA Toll | \$0.08 | \$0.12 |
| Intrastate IntraLATA Toll | \$0.08 | \$0.12 |
| Intrastate Toll Free | \$0.08 | \$0.12 |

7.4 SWITCHED LONG DISTANCE PLAN

US LEC Switched Long Distance service offers smaller single and multi-line business customers the ability to select US LEC as their Presubscribed Interexchange Carrier for the completion of Intrastate calls. Switched Long Distance can be used in conjunction with other US LEC toll products or as a stand-alone offering. Switched Long Distance is available throughout the entire US LEC service area. However, Switched Long Distance will not be available from payphones or cellular phones. Locations where Switched Long Distance service is offered will be billed on the basis of a minimum billing increment of 30 seconds, with 6 second increments thereafter.

| | Minimum Per Minute | Maximum Per Minute |
|--------------------|-----------------------|-----------------------|
| Calls to All Areas | \$0.08 | \$0.15 |

A Monthly Recurring Charge (MRC) is required for any and all locations as follows.

| | Per Line | |
|---------------------|----------|-----|
| Multi-line Business | \$4.89 | (I) |
| Centrex Lines | \$2.30 | (I) |
