Rate Schedule 2:

Customers whose annual usage is equal to or greater than 10,000 dth

Monthly Minimum Charge will be:

For the first 10 therms:	\$375.00 per month.
Volumetric Rate Per Therm:	\$.3837 per therm

In addition to the charges above, there will be a weighted average commodity cost of gas adjusted for LAUF (as explained in 33.C), an average fixed cost of gas (as explained in Rule 33.B) and a merchant function charge (as explained in Rule 34).

Not less than two business days prior to the date to be effective, the Company will file the Statement of Temperature Controlled Sales Service Rates with the Public Service Commission. The statement will reflect a unit commodity rate per therm applicable to all sales exceeding the minimum consumption of 10 therms per month.

Rate Schedule 3:

Bulk Purchasers - available to any governmental agency who seeks to enter into an individually negotiated contract with the Company.

Service under this category will be available to any governmental agency within the Company's service territory seeking to enter into an individually negotiated contract with the Company. The rate for and other terms and conditions of service to customers qualifying under this rate schedule will be set forth in a service agreement negotiated between the Company and the customer, which will be filed with the Commission. Negotiated service agreements at similar overall terms shall be available to all similarly situated customers. The minimum rate charged must be sufficient to recover all costs incurred to serve the customer including a reasonable contribution to fixed costs. The rate shall include the following components:
