SUPERSEDING REVISION: 2

GENERAL INFORMATION

4. LIMITATION OF SERVICE OFFER: (continued)

4.10.3.4.2.2 Ninety days after notice, in the event the owner has not contributed to the deficiencies. No surcharge shall be applied if the owner brings the building into compliance within ninety days.

4.10.3.4.3 In the event the owner is not billed for the Company's services, no surcharges will be applied to the bills of the non-owner occupants of the dwelling. After notification to the owner that the building is not in compliance, a surcharge will be billed to the owner. The surcharge will be 25 percent of the Company's total gas bills for the building that is not in compliance. In the event that circumstances prevent collecting the surcharge amount from the owner of the non-complying building, the Company may refuse future connections for service to new tenants in the dwelling until it is brought into compliance. If the owner is an occupant of the dwelling but is not billed for any services, the surcharge will be imposed on the bill for services to the unit occupied by the owner.

4.11 Notwithstanding the foregoing, the Company may refuse any application for new or additional gas service if the Company determines that it does not have adequate gas supply and/or capacity to prudently meet the requirements of such applicants in addition to the requirements of its existing customers. In the event of such determination, the Company will file a notice with the Public Service Commission indicating the areas of the Company's system, and the size of prospective customers, the Company has determined it can no longer serve. The Company will immediately notify the Commission if/when any such restriction on new customer load is lifted.

5. CUSTOMER USE OF SERVICE:

5.1 Subject to Rule 5.1.1, customer shall provide all piping on customer's premises except piping required for service lines, meter and regulator installations. Company is not responsible for the adequacy or safety of customer's equipment or piping beyond the end of the service line. The Company reserves the right to discontinue service whenever customer fails to maintain such equipment and piping in a safe and adequate condition or fails to utilize gas in such a manner as to avoid interference with the service furnished by Company to other customers.

5.1.1 Customers will be required to provide piping for service line installations, in excess of the portion provided by the Company as set forth in Rule 10.1, if the customer elects to install a portion of the service line in compliance with all provisions of Rule 11.7 of the General Information Section of this schedule.
