COMMERCIAL TELECOMMUNICATIONS SERVICES

SECTION 4. RATES (Cont'd)

4.5 USA Savings Plan

USA Savings Plan is a non-operator assisted, direct dial service available to residential and business customers. The Customer accesses the service via standard switched access service. The Customer may access Carrier either by selecting Carrier as the presubscribed interexchange carrier or by dialing the Carrier's "10XXX" access code. This service is offered in conjunction with interstate, international, and travel card service.

Call ratings are determined by mileage, time of day, duration, and originating location. Calls are billed in one-minute increments, after an initial minimum call duration of one minute. Any fractional portion of a call is rounded up to the next highest billing increment.
