A. Friends-R-Free[SM] Classic Feature

Customers of the VarTec Friends-R-Free[SM] Classic Package may place unlimited 1+, direct-dialed calls or use a Company-designated casual calling (dial-around) code when dialing long distance calls to other Customers subscribing to VT's Friends-R-Free[SM] Classic Package or VT's Friends-R-Free[SM] Package at no additional charge. However, the long distance usage to other Customers subscribing to VT's Friends-R-Free[SM] Classic Package or Friends-R-Free[SM] is not deducted from the included 100 minutes of domestic long distance usage described above.

Customer telephone numbers which are not capable of being subscribed to an interexchange carrier, and telephone numbers which are associated with Company 800/8XX service(s) or access codes associated with Company services other than switched services (e.g., travel calling card service numbers) are not eligible for inclusion in or the benefits of VT's Friends-R-Free[SM] Classic Feature.

If a Customer discontinues his or her Friends-R-Free[SM] Classic Package, only those eligible long distance calls which were made while he or she was a Customer with the VarTec Friends-R-Free[SM] Classic Package will receive the Friends-R-Free[SM] Classic Feature.

The Friends-R-Free[SM] Classic Package discount does not apply to service which is provided on any special access line or Local Exchange Company service line for which the Customer pays a rate described as a business or commercial special access line in an applicable Local Exchange Company access service tariff.

The VarTec Friends-R-Free[SM] Classic Package is intended for residential use only, and all terms of the Friends-R-Free[SM] Classic Package Acceptable Use Policy set forth as follows in Section 3.2.5.2 apply.
