LOCAL EXCHANGE SERVICES

SECTION 3 - SERVICE DESCRIPTIONS (Cont'd.)

3.2 Basic Residential Local Service (Cont'd.)

3.2.12 Additional Line Service

Additional Line Service provides the same features and benefits of Basic Residential Local Service as described in Section 3.2, including unlimited local calling and the ability to utilize 911 emergency services. Additional Line Service is only available to Customers who also subscribe to VT's Basic Residential Local Service or an associated bundled service package as described herein, and Additional Line Service must be installed at the same service address as the Customer's primary line. Any additional benefits of the Customer's selected local service package, such as included long distance minutes or Call Management features, do not apply to Additional Line Service. Optional Call Management features as described in Section 3.3 are available to subscribers of Additional Line Service and will be billed at the rates defined therein in addition to all charges associated with the Customer's Additional Line Service.

In order to subscribe to Additional Line Service, Customers must select VT as the primary service provider for interLATA interexchange and intraLATA interexchange services for the additional line. Furthermore, Customers must select one of the following two long distance plans: One Choice® \$.05 Plan or One Choice® \$.03 Plan as described in the Company's Interexchange tariff. Rates and charges for Additional Line Service may vary based on the Customer's selected long distance calling plan.
