## LOCAL EXCHANGE SERVICES

### SECTION 3 - SERVICE DESCRIPTIONS (Cont'd.)

#### 3.5 Directory Listings

Upon the request of a directory listing publication, VT will provide list of names and telephone numbers of Customers and joint-users for the purpose of informing calling parties of the telephone numbers of Customers and those entitled to use Customer's service. The Company limits the length of any listing by the use of abbreviations when, in the opinion of the directory publishing company, the clearness of the listing or the identification of the Customer or joint-user is not impaired thereby. Listings must conform to the practices of the directory publishing company with respect to its directories.

VarTec will furnish upon request the name and address of the Customer to exchange service when such service is used to provide recorded announcements under the provisions of this tariff. Listings are regularly provided in connection with all classes of exchange service, unless the Customer subscribes to non-published exchange service or non-listed service. The contract period for Directory Listings where the listing actually appears in the directory is the effective period of the directory. Where the listing has not been printed in the directory, the contract period is one month.

One Residential Primary Listing is provided without charge for each separate Customer service or joint-user. The Primary Listing must be the actual name of the Customer to whom the service is rendered or the name of a member of the Customer's family or household.
