COMMERCIAL TELECOMMUNICATIONS SERVICES

SECTION 4. RATES (Cont'd.)

4.81 Excel Switched Business Services

Excel Switched Business Services offer switched outbound, inbound and travel card telecommunications service offerings to business customers in the State of New York. Certain service options may require Customers to commit to a Term Commitment and a minimum Monthly Usage Commitment. Certain rates and charges, including intrastate and interstate toll rates, vary based on the Term Commitment and/or minimum Monthly Usage Commitment selected by the Customer. In addition to the service descriptions and rates below, all terms and conditions of service set forth in the Service Agreement or individual customer contracts apply to the services described herein.

Unless otherwise indicated, an eighteen (18) second minimum will apply to each completed call, and thereafter, Customers will be billed at six (6) second increments.
