SECTION 4. RATES (Cont'd.)

4.43 Excel Prime Select 5A

Excel Prime Select 5A service is a term plan service available to all business customers but is designed for large end users. Customers are billed based upon the actual monthly usage with discounts applicable based upon billing levels. Interstate, intrastate, international and calling card usage are contributory to the monthly usage summary but only the interstate usage will be discounted. Customers must sign a twelve (12), twenty-four (24) or thirty-six (36) month term plan. Usage commitments will be set at the time of initiating the service. The contract the Customer signs states the penalty for discontinuation of service. The Customer will be billed the minimum monthly commitment level if the actual monthly usage is below the commitment level. Select 5A calls are billed in six (6) second increments after an initial period, for billing purposes, of six (6) seconds.
