SECTION 4. RATES (Cont'd.)

4.63 1Q99 - Prime Business Select 2000

1Q99 - Prime Business Select 2000 is a telecommunications service offering inbound, outbound and travel card services exclusively to new Telco commercial Prime Business Service customers. Customers are billed at per minute rates based on a Monthly Revenue Commitment Level for switched access services for long distance origination and termination. Customers subscribing to this service must commit to a minimum term of 12 months and choose from the Monthly Revenue Commitment Levels indicated below. In the event a Customer terminates service with the Company prior to the end of the 12-month Term Commitment Period, or in the event that the Company terminates service based on the Customer's default, the Customer will be responsible for paying a Termination Charge equal to the Customer's Monthly Revenue Commitment Option multiplied by the number of months remaining in the Customer's agreed 12-month Term Commitment period.

In any given invoice period, if the Customer's Monthly Revenue Level does not meet the Monthly Revenue Commitment agreed upon during the Term Commitment Period, the Customer will pay a Deficiency Charge for that invoice equal to the difference between the Monthly Revenue Commitment and the actual Monthly Revenue Level. The Deficiency Charge will be due at the same time payment is due from the Customer for service provided on the invoice. Deficiency charges will not be assessed prior to the third invoice period.
