COMMERCIAL TELECOMMUNICATIONS SERVICES

SECTION 4. RATES (Cont'd.)

4.66 Hearth Products Association Switched Program

Hearth Products Association Switched Program is a presubscribed/switched outbound 1+, inbound and travel card telecommunications service offering. This service allows the Customer to place long distance calls between points within the State of New York. The Customer's Monthly Usage Commitment is based on combined intrastate, interstate and international usage, excluding surcharges, monthly recurring charges and directory assistance charges.

4.66.1 Per Minute Rates

Monthly Usage Commitment Level	Per Minute Rate (Min/Max)
\$0 - \$499.99	\$0.0990/\$0.1350
