SECTION 4. RATES (Cont'd.)

4.17 Prime Business Select II - Dedicated Service

Prime Business Select II Dedicated Service is an outbound service, available to business customers who meet the company's credit approval guidelines. Calls are originated from presubscribed locations or by dialing the Company's designated "10XXX" access code.

This service permits large account business customers to make direct dial 1+ calls from locations within the state. In addition, customers may also subscribe to toll free (800/888) service, per the rates specified in Section 4.16.1(A). All conditions that apply to the Prime Business Select II Term Commitment as specified on page 4.12.2(B) and 4.12.2(C) of this tariff, also apply to Prime Business Select II Dedicated Service. Customers must commit to a \$2,500 monthly minimum under this plan.

All direct dial 1+ and toll free (800/888) calls are billed in six (6) second increments after an initial calling period, of eighteen (18) seconds. Any fractional portion of a call thereafter, will be rounded up to the next highest billing increment.
