SECTION 4. RATES (Cont'd.)

4.19 Prime Business VI

Prime Business VI is available to business Customers, on a limited and promotional basis, who meet the Company's credit approval guidelines. Customers may select a Month to Month or a Term Commitment Option. Customers electing a Term Commitment Option must sign a contract with the Company. Customers will either be billed directly by the Company or by their local exchange telephone Company. Prime Business VI rates apply to direct dial, toll free (800/888) and calling card calls. A monthly recurring charge may also apply.

Account Codes are available under Prime Business VI. Account Codes assist Customers in managing and tracking their long-distance usage. Customers may select validated account codes which are specific, pre-defined combinations of digits registered with Company's switch database, and only those pre-defined codes can be used to complete a call, or Customers may select non- validated codes of a specific length and any code of that specific length can be used to complete a call.
