SECTION 4. RATES (Cont'd.)

4.35 Prime Business Select IV

Prime Business Select IV service is a term plan service available to all business customers, who meet the Company's credit approval guidelines, but is designed for small to medium users. Customers are billed based upon the actual monthly usage. Customers must sign a twelve (12), twenty-four (24) or thirty-six (36) month term plan. Usage commitments will be set at the time of initiating the service. The contract the Customer signs states the penalty for discontinuation of service. The Customer will be billed the minimum monthly commitment level if the actual monthly usage is below the commitment level. Customers will either be billed directly by the Company or by their local exchange telephone company. Prime Business Select IV rates apply to direct dial, toll free, and calling card calls. All calls are billed in six (6) second increments after an initial period, for billing purposes, of eighteen (18) seconds. Per minute, per call and monthly recurring charges may apply.
