**SECTION 4. RATES (Cont'd.)**

**4.36 Prime Business Select V**

Prime Business Select V service is a term plan available to all business customers, who meet the Company's credit approval guidelines, but is designed for large end users. Customers are billed based upon the actual monthly usage. Customers must sign a twelve (12), twenty-four (24), or thirty-six (36) month term plan. Usage commitments will be set at the time of initiating service. The contract the customer signs states the penalty for discontinuation of service. The Customer will be billed the minimum monthly commitment level or the actual monthly usage is below the commitment level. Customers will either be billed directly by the Company or by their local exchange telephone company. Prime Business Select V rates apply to direct dial, toll free, and calling card calls. All calls are billed in six (6) second increments after an initial period, for billing purposes, of eighteen (18) seconds. Per minute, per call and monthly recurring charges may apply.
