## COMMERCIAL TELECOMMUNICATIONS SERVICES

---

### SECTION 4. RATES (Cont'd.)

#### 4.35 Prime Business Select IV (Cont'd)

##### 4.35.3 Prime Business Select 4A Service

Prime Business Select 4A Service is a combined inbound, outbound and calling card service offered to business Customers. Customers are billed at per minute rates based on Combined Monthly Usage volumes, and discounted rates are applied based upon the Customer's billed monthly usage. Combined Monthly Usage is defined as the Customer's billed usage for a monthly billing period for the combined total of interstate, intrastate, international and service calling card usage for a month billing period. Directory Assistance charges, monthly recurring charges, service fees, surcharges and taxes are not included in the determination of the Customer's Combined Monthly Usage.

Customers subscribing to this service must commit to a term of 12, 24 or 36 months. A service term begins on the first day of the month following service enrollment. When the Customer's Term Commitment Period expires, the Customer's service will automatically renew for another 12-month, 24-month or 36-month period, whichever is applicable, unless the Company receives in writing a notice of non-renewal during the period between 60 and 30 days prior to the end of the Customer's Term Commitment Period.

In the event a Customer terminates service with the Company prior to the end of the Customer's Term Commitment Period, or in the event that the Company terminates service based on the Customer's default, the Customer will be responsible for paying a Termination Charge equal to \$100.00 multiplied by the number of months remaining in the Customer's agreed Term Commitment period.
