**SECTION 4. RATES (Cont'd.)**

**4.29 Intrastate Preferred Customer Plan**

Intrastate Preferred Customer Plan is a direct dial service available to residential customers. The Customer may access Carrier either by selecting Carrier as the presubscribed interexchange carrier or by dialing the Carrier's "10XXX" access code. Customers must enroll in Intrastate Preferred Customer Plan by dialing a designated toll-free number and speaking with a Carrier representative.

Calls are billed in one-minute increments, after an initial minimum call duration of one minute. Any fractional portion of a call thereafter, is rounded up to the next highest billing increment.
