SECTION 4. RATES (Cont'd.)

4.40 Excel Prime Select 3

Excel Prime Select Service is a combined inbound, outbound and calling card service offered to business Customers of Excel. Excel Prime Select 3 service is a month-to-month optional plan available to all business customers. Customers are billed based upon the actual monthly usage with discounts applicable based upon billing levels. Interstate, intrastate, international and calling card usage are contributory to the monthly usage summary but only the interstate usage will be discounted. Customers must commit to a minimum monthly usage as defined on each billing level. The Customer will be billed the minimum monthly commitment level if actual usage is below the monthly minimum. All calls are billed in six (6) second increments after an initial period, for billing purposes, of eighteen (18) seconds. Per minute charges, per call surcharge and monthly recurring charges apply to each service.
