2.15 Cancellation, Discontinuance and Changes (Continued)

2.15.1 Cancellation of Application for Service (Continued)

Where VT incurs an expense in connection with special construction, or where special arrangements of facilities or equipment have begun, before VT receives a cancellation notice, a charge equal to the costs incurred, less net salvage, applies.

The charges described above will be calculated and applied on a case-by-case basis.

2.15.2 Cancellation of Service

If a Customer cancels a service order or terminates services before the completion of the term for any reason whatsoever, the Customer agrees to pay VT the following:

- A. all nonrecurring charges reasonably expended by VT to establish service to the Customer
- B. any disconnection, early cancellation, or termination charges reasonably incurred and paid to third parties by VT.
- C. all recurring charges associated with the service being utilized for the balance of applicable term.
- D. any other charges set forth in this tariff or in the service order for such early cancellation or termination.

The above sums shall become due as of the effective date of the cancellation or termination and shall be payable within the period, as set forth in this tariff.
