SECTION 2 - RULES AND REGULATIONS (Cont'd.)

2.1 Undertaking of the Company (Cont'd.)

2.1.9 Non-Routine Installation

At the Customer's request, installation and/or maintenance may be performed outside VT's regular business hours or in hazardous locations. In such cases, charges based on the cost of the actual labor, material, or other costs incurred by or charged to VT will apply. If installation is started during regular business hours into time periods, including but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

2.1.10 Ownership of Facilities

Title to all facilities provided in accordance with this tariff remains with VT, its agents or contractors or the ILEC.

2.1.11 Special Construction

If the provision of service to a Customer would require the construction of additional facilities, replacement facilities or special facilities designed to meet the Customer's particular needs, the Company, at its option, may seek to obtain the facilities from another carrier, or may construct the facilities. The Customer may be required to pay all of the Company's fees and expenses associated with obtaining or constructing the facilities, including but not limited to, any unusual maintenance costs or removal costs. Construction charges may be required, at the Company's option, prior to commencing work or when billing is rendered. The Customer may be required to enter into a written agreement to pay the construction charges if they are not paid prior to initiation of service.
