LOCAL EXCHANGE SERVICES

SECTION 3 – SERVICE DESCRIPTIONS

3.0 General

VarTec's Local Exchange Service provides Customers with unlimited calling to points within their designated local calling area. VarTec concurs with the exchange areas and exchange maps filed by Verizon and currently on file with the Commission.

VT also provides optional services to allow Customers to efficiently manage the call flow generated over their telephone line(s). These services are subject to availability of facilities and compatibility with Customer type of access line and premises equipment. Optional services are only available to Customers of VT's basic local services and are not available on Centrex and PBX trunks. When multiple services are activated on the same line, certain services may take precedence over others.

3.0.1 Service Areas and Zones

Local exchange telecommunications services provided by VT shall be limited to Customers within the following exchanges as defined by the exchange maps filed by the incumbent Local Exchange Carriers and currently on file with the Commission.
