## LOCAL EXCHANGE SERVICES

### SECTION 1 – DEFINITIONS (Cont'd.)

#### 1.1 Definitions of Terms (Continued)

Collect Call - Denotes a billing arrangement by which the charge for a message may be reversed provided the charge is accepted at the called service point. A collect call may be billed to a Calling Card or third number. If the called service point is identified as a Pay Telephone, the charges must be billed to a Calling Card or third number.

Communications System - Channels and other facilities which are capable, when not connected to the Telecommunications Network, of two-way communications between terminal equipment.

Commission - New York Public Service Commission.

Company or Carrier – Matrix Telecom, LLC d/b/a VarTec Telecom unless otherwise clearly indicated by the context.

Customer - The person, firm, corporation or other entity which subscribes to and/or utilizes VT's network, or accepts billing for calls on VT's network, subject to the terms and conditions of VT's tariff regulations.
