LOCAL EXCHANGE SERVICES

SECTION 1 – DEFINITIONS (Cont'd.)

1.1 Definitions of Terms (Continued)

InterLATA - Calls or circuits between different Local Access and Transport Areas.

IntraLATA - Calls or circuits totally within the same Local Access and Transport Area.

Local Access and Transport Area - A geographic area established for the administration of telecommunications service. It encompasses designated local operating telephone company exchanges which are grouped to serve common social economic and miscellaneous purposes.

Local Exchange Service - Local telephone service provided by any individual, partnership, association, joint-stock company, trust, governmental entity or corporation.

Local Service Area - The area within which service is furnished between stations without charge other than the regular exchange service charge, whether the service is flat rated or measured.
