2.13.2 Disconnection of Service for Cause (Cont'd.)

- (B) If any Customer-provided equipment is used with facilities provided by Carrier in violation of any law or any of the provisions in this tariff, Carrier will take such action as is necessary for the protection of its facilities or the service of its other Customers and other persons provided with telephone services. The Customer shall discontinue such use of the equipment or correct the violation immediately upon actual or constructive knowledge of a violation and shall confirm in writing to Carrier within five (5) calendar days that such use has ceased or that the violation has been corrected. Failure of the Customer to discontinue such use or correct the violation and to give the required written confirmation to Carrier within the time stated above shall result in interruption of the service of the Customer creating the violation.
- (C) Telephone services may be refused, reduced, or partially or completely discontinued without notice in the event Carrier is informed that the service is used in such a manner that will adversely affect Carrier's services to others.
- (D) VT may disconnect the telephone services in accordance with the terms hereof without any liability except for an appropriate refund of prepaid charges and any service deposit with accrued interest.
