## INTEREXCHANGE SERVICES

### SECTION 3 - DESCRIPTION OF SERVICES FOR VARTEC TELECOM (Cont'd.)

#### 3.17 VarTec Varsity Line<sup>SM</sup> Service

VarTec Varsity Line<sup>SM</sup> Service permits Customers to make calls from any non-rotary dialed telephone within New York to other locations by dialing 1 + 800 + NXX-XXXX, receiving a prompting tone, then dialing a seven (7) digit personal identification number (PIN) assigned by VT. The calls are then routed to a single destination (terminating ANI) which is pre-programmed by VT and designated by the Customer. Maximum rates and charges for VarTec Varsity Line<sup>SM</sup> Service are set forth in Section 4.17 following.

In addition, customers of VarTec Varsity Line<sup>SM</sup> Service will be billed at \$.01 per call for the first five qualifying calls. A qualifying call is defined as a completed call of ten minutes or less in duration, excluding Directory Assistance calls. The one cent (\$.01) calls will automatically be assessed by the Company's billing system on the first five long distance call(s) that meet the above- noted conditions.

Calls are rated based on call duration.

#### 3.18 Aspire<sup>®</sup> Service

VarTec's Aspire<sup>®</sup> Service (non-operator assisted, direct dial) is intended for small business customers for calling within the State of New York. This program is designed to be sold by agents of VarTec. Upon choosing VarTec as their primary interexchange carrier and being entered into VarTec's billing database, customers will receive the long distance usage rates associated with VarTec's Aspire<sup>®</sup> Service. When VT is not the presubscribed interexchange carrier, Customers can access Aspire<sup>®</sup> by dialing 10XXX + 1 + area code (if required) + NXX-XXXX. In order to receive VT's Aspire<sup>®</sup> usage rates, however, the Customer must be entered into the VT billing database prior to utilizing this service. Calls are routed over Carrier's transmission and switching facilities to any valid NPA-NXX. Maximum rates and charges for VarTec's Aspire<sup>®</sup> Service are set forth in Section 4.18 following.

Calls are rated based on call duration.
