## INTEREXCHANGE SERVICES

### SECTION 3 - DESCRIPTION OF SERVICES FOR VARTEC TELECOM (Cont'd.)

#### 3.1 General (Cont'd.)

##### 3.1.4 Calculation of Distance (Cont'd.)

- (H) VT determines the airline mileage between rate centers by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved.

Formula:

$$\sqrt{\frac{|V_1 - V_2|^2 + |H_1 - H_2|^2}{10}}$$

##### 3.1.5 Special Promotion

The Carrier may from time to time engage in special promotional service offerings which may be limited to certain dates, times and/or locations. These promotions are designed to attract new customers and/or increase customer awareness of particular service offerings. Customers must subscribe to specific promotions within the given time period as stated in the promotional offer. Any ANI disconnected and then reconnected from VarTec's service for purposes of subscribing to the special promotion may not be eligible. After the initial subscription to a promotion, if no outbound usage is generated by an ANI within the specified time period as stated in the promotional offering, the customer may not receive benefits from the promotion. The promotions may contain special terms and conditions, including but not limited to, usage rates and charges. Such special terms and conditions will be in lieu of those terms, conditions, rates and charges outlined in Sections 3, 4 and 5 of this Tariff.
