INTEREXCHANGE SERVICES

SECTION 3 - DESCRIPTION OF SERVICES FOR VARTEC TELECOM (Cont'd.)

3.4 FiveLineSM Service

VT's FiveLineSM Service (non-operator assisted, direct dial) is intended for residential Customers for calling within the State of New York. Customers access the FiveLineSM Service by dialing 1 + (area code when necessary) + NXX-XXXX if they have selected VT as their primary interexchange carrier. When VT is not the presubscribed interexchange carrier, Customers can access the FiveLineSM Service by dialing 10XXX + 1 + area code (if required) + NXX-XXXX. In order to receive FiveLineSM Service rates, however, the Customer must be entered into the VT billing database prior to utilizing this service. Calls are routed over Carrier's transmission and switching facilities to any valid NPA-NXX. Rates and charges for VT's FiveLineSM Service are set forth in Section 4.4 following.

Calls are rated based on call duration.

3.5 VarTec Signature Series[®] Service

VarTec Signature Series[®] Services are intended for Business Customers for calling within the State of New York. Customers of VarTec Signature Series[®] Services will be able to utilize one-plus (1+), toll-free ("800") and calling card services. Upon choosing VarTec as their primary interexchange carrier and/or the responsible organization for any particular toll-free ("800") telephone number, Customers will receive any or all of the long distance telecommunications services associated with VarTec Signature Series[®] Services. Maximum rates and charges associated with VarTec Signature Series[®] Services are set forth in Section 4.5 following. The VarTec Signature Series[®] Services are long distance telecommunications services including, up to the following:

3.5.1 VarTec Signature I Service

Customers may access VarTec's Signature I Service via Equal Access FGD circuits and/or other switched access services to make intrastate calls. Calls are routed over carrier's transmission and switching facilities to any valid NPA-NXX. VarTec's Signature I Service includes flat-rated intrastate usage rates and a monthly recurring service fee. Maximum rates and charges associated with VarTec's Signature I Service are included in Section 4.5.1
