## INTEREXCHANGE SERVICES

### SECTION 3 - DESCRIPTION OF SERVICES FOR VARTEC TELECOM (Cont'd.)

#### 3.26 New DimeLine® Service

VT's New DimeLine® Service (non-operator assisted, direct dial) is intended for residential Customers for calling within the State of New York. Customers access New DimeLine® Service by dialing 1 + (area code when necessary) + NXX-XXXX if they have selected VT as their primary interexchange carrier. When VT is not the presubscribed interexchange carrier, Customers can access New DimeLine® Service by dialing 10XXX + 1 + area code (if required) + NXX-XXXX. In order to receive VT's New DimeLine® Service usage rates, however, the Customer must be entered into the VarTec billing database prior to utilizing this service. Calls are routed over Carrier's transmission and switching facilities to any valid NPA-NXX. Maximum rates and charges for VT's New DimeLine® Service are set forth in Section 4.26 following.

Calls are rated based on call duration.

#### 3.27 New Home Direct® Service

VT's New Home Direct® Service permits Customers to make calls from any non-rotary dialed telephone within New York to other locations by dialing 1 + 800 + NXX-XXXX, receiving a prompting tone, then dialing a personal identification number (PIN). The calls are then routed to a single destination (terminating ANI) which is pre-programmed by VT and designated by the Customer. Maximum rates and charges for VT's New Home Direct® Service are set forth in Section 4.27 following.

In addition, Customers of VT's New Home Direct® Service will be billed at \$.01 per call for the first five qualifying calls. A qualifying call is defined as a completed domestic, long distance call of ten minutes or less in duration, excluding Directory Assistance calls. The one cent (\$.01) calls will automatically be assessed by the Company's billing system on the first five long distance calls that meet the above-noted conditions.

Calls are rated based on call duration.
