INTEREXCHANGE SERVICES

SECTION 3 - DESCRIPTION OF SERVICES FOR VARTEC TELECOM (Cont'd.)

3.31 VarTec LibertyLineSM Services

VarTec LibertyLineSM Services are intended for business Customers for calling within the State of New York. Customers of VarTec LibertyLineSM Services will be able to utilize one-plus (1+) long distance service, toll-free ("800") service and travel card service. Billing for the VarTec LibertyLineSM Services will be rendered directly by VT. Only those Customers who select VT as their primary interexchange carrier and/or the responsible organization for a particular toll-free telephone number will be eligible to utilize any or all of the long distance telecommunications services associated with VarTec LibertyLineSM Services. Rates and charges associated with VarTec LibertyLineSM Services are set forth in Section 4.31 following. The VarTec LibertyLineSM Services are long distance telecommunications services including, up to the following:

3.31.1 VarTec LibertyLineSM Long Distance Service

Customers may access the VarTec LibertyLineSM Long Distance Service via Equal Access FGD circuits and/or other switched access services to make intrastate calls. Calls are routed over carrier's transmission and switching facilities to any valid NPA-NXX. The specific rates and charges associated with the VarTec LibertyLineSM Long Distance Service are included in Section 4.31.1 following.

3.31.2 VarTec LibertyLineSM Travel Card Service

VarTec LibertyLineSM Travel Card Service is designed to allow business Customers to make calls from any non-rotary dialed telephone within New York to any other location by dialing 1 + 800 + XXX + XXXX, receiving a prompting tone, then dialing the Customer's Authorization Code assigned by VT followed by the telephone number of the called party. Rates and charges associated with the VarTec LibertyLineSM Travel Card Service are set forth in Section 4.31.2 following.

3.31.3 VarTec LibertyLineSM 800 Service

VarTec LibertyLineSM 800 Service allows business Customers to receive inbound intrastate calls from any other calling station within New York. Rates and charges associated with the VarTec LibertyLineSM 800 Service are set forth in Section 4.31.3 following.
