SECTION 5 – TRINSIC PRODUCTS, (CONT'D.)

5.7 Special Arrangements, (Cont'd.)**

5.7.4 Specialized Customized Pricing Arrangements (CPAs), (Cont'd.)

A. Contract No. D-1, (Cont'd.)

1. Summary, (Cont'd.)

d. Description of Pricing and Volume Discounts

See Section 5.7.4.A.2 of this tariff.

e. General Description of other regulations affecting contract rate

Except during the first two month after the effective date of the agreement, the Customer's total number of lines in service under this agreement must exceed 2,000 lines. Should the total number of dial-tone lines in service under this agreement fall below the 2,000 lines for any consecutive 45 calendar day period, Trinsic may reduce the Customer discount applied against the applicable Trinsic tariff rates by 50% for any billing period where the total number of Customer dial-tone lines in service under this agreement fall below 2,000 lines.

Customer must provide at least ninety (90) calendar days written notice to the Company as to the intent to either terminate service or request to renegotiate the current contract for another term, including month-to-month service term. After completion of the initial contract term and continuation of service on a month-to-month basis, either Customer or Company may terminate month-to-month service upon ninety (90) days written notice. Trinsic shall have the right to implement price and fee increases up to 10% during any twelve (12) month period upon 120 calendar days written notice for service provided to Customer on a month-to-month basis or during the third year of a 3 year contract.

** Effective May 28, 2015, this service is grandfathered and available to existing Customers only.
