INTEREXCHANGE SERVICES

SECTION 3 - DESCRIPTION OF SERVICES FOR VARTEC TELECOM (Cont'd.)

3.44 Platinum Plan

VT's Platinum Plan (non-operator assisted, direct dial) is intended for residential Customers for calling within the State of New York. Customers access Platinum Plan by dialing 1 + (area code when necessary) + NXX-XXX if they have selected VT as their primary interexchange carrier. When VT is not the presubscribed interexchange carrier, Customers can access the Platinum Plan by dialing 10-1X-XXX + 1 + area code (if required) + NXX-XXXX. In order to receive Platinum Plan rates, however, the Customer must be entered into the VT billing database prior to utilizing this service. Calls are routed over Carrier's transmission and switching facilities to any valid NPA-NXX. Rates and charges for VT's Platinum Plan are set forth in Section 4.43 following.

Calls are rated based on call duration.
