COMMERCIAL TELECOMMUNICATIONS SERVICES

SECTION 5. CONTRACT SERVICES (Cont'd.)

5.5 Switchless 1+ Dedicated and Toll-Free Resale Service

Switchless 1+ Dedicated and Toll-Free Resale Service is available only to Other Certificated Carriers (“OCC”) who wish to utilize the Company’s network to originate, switch, and terminate traffic. OCC must meet certain Company specified credit evaluations in order to purchase this service offering. In addition, OCC must have obtained required operating authority in the states in which they conduct business and file tariffs, when required by law, with a state or federal authority. Company may also require that subscribers to this service offering have an existing billing or data processing arrangement with the Company.

A Customer’s 1+ and toll-free domestic interstate, intrastate, and international revenue under this service offering will be counted toward the Monthly Minimum Revenue Commitment. At the Company’s sole discretion, revenue under other Company Service offerings, term commitments, minutes of use commitments, ramp-up periods, or other criteria may be used in combination with revenue in order to determine whether or not a Customer is eligible for a particular Rate Level. Calls will be billed in six (6) second increments after an initial calling period of eighteen (18) seconds. Any fractional portion of a call thereafter, will be rounded up to the next highest billing increment.

OCCs who qualify for this service will receive the rates specified below. Rates are based upon the LATA and the LEC from which the call originates and to which the call terminates, if applicable, as well as the Customer’s Monthly Minimum Revenue Commitment. Orders for service will only be accepted from OCCs for provision of service to Customers residing in areas served by the RBOCs, GTE or Sprint-United.

A Min/\$0.01 Max/\$1.00 surcharge is applied for all non-peak minutes above 20% (Sunday through Friday, 7PM-9PM). In addition, a Min/\$0.01 Max/\$1.00 per minute charge will apply for all 1+ calls terminating to and all toll-free calls originating from the Local Exchange Carrier’s Operator Carrier Number “OCN” other than: Verizon, OCNs: 9102, 9104.
