LOCAL EXCHANGE SERVICES

SECTION 2 - REGULATIONS

2.1 Definitions

Certain terms used generally throughout this tariff for interexchange common Carrier communications channels furnished by the Carrier over its facilities are defined below.

Access Line: A line that provides connection of the Customer's equipment to a local exchange network.

Additional White Pages Listing: The term "Additional White Pages Listing" denotes any listing of the Subscriber's name, address and telephone number(s) above and beyond the Initial White Pages Listing.

Authorized User: The term "Authorized User" denotes a person, firm, or corporation, who is authorized by the Subscriber to be connected to the service of the Subscriber.

Bit: The term "Bit" denotes the smallest unit of information in a binary system of notation.

Bits Per Second: The term "Bits Per Second" denotes the number of bits transmitted in a one second interval.

Call Forwarding Busy and Don't Answer: This optional feature will reroute all incoming calls to another predefined telephone number when the called telephone number is busy, or does not answer within a determined number of rings. In the event that the called telephone number is busy, or if the telephone number doesn't answer, the Subscriber is charged any additional charges for the call-forwarded call.

Call Forwarding Remote Access: This feature provides customers with the ability to remotely activate and deactivate the forwarding of calls.

Call Forwarding Variable: This optional feature allows all incoming calls directed to a telephone number to be rerouted to another Subscriber defined telephone number. The Subscriber is charged any applicable usage charges for the rerouted call. The user can activate/deactivate Call Forwarding and define a telephone number where all calls will be forwarded.

Call ID: This feature provides the telephone number and name of the incoming calling party. The calling number and name are displayed on a customer-provided compatible display device, which is attached to the customer's telephone number.
