SECTION 5 - CHARGES APPLICABLE UNDER SPECIAL CONDITIONS - (Continued)

5.3 SPECIAL CONSTRUCTION

5.3.1 Construction on Private Property

- A. The Company or its designated facilities provider will furnish an average amount of entrance and distribution facilities, provided the facilities are of the standard type normally furnished for the particular location or kind of service.
- B. If additional entrance or distribution facilities are required, or if conditions require special equipment, maintenance or methods of construction, if the installation is for a temporary purpose, or if for any other reason, the construction costs are excessive as compared with the revenue to be derived from the project, the Customer may be required to pay for costs over and above the costs applicable for a normal installation.
- C. The Customer will provide the Company upon request and without charge written permission for the placement of Company facilities (or the facilities of a Company- designated service provider) on their property.
- D. The Customer is responsible for providing satisfactory entrance to the building and space for mounting any necessary network protection equipment.

5.3.2 Temporary Service

Where plant construction is required to provide any temporary service or facility, or where it is necessary to place temporary construction in advance of permanent construction in order to meet the Customer's requirements, the Company may require the Customer to pay the nonrecoverable costs of the temporary construction or to contract for service beyond the initial period, or both.
