SECTION 2 - RULES AND REGULATIONS

2.1 APPLICATION OF TARIFF

The rules and regulations contained in this Section apply to the services and facilities provided by the Company in the State of New York. When services and facilities are provided in part by the Company and in part by other connecting companies, the regulations of the Company apply to the portion of the services or facilities furnished by the Company. 2.1.1 In the event of a conflict between any rate, rule, regulation or provision contained in this tariff and any rate, rule, regulation or provision contained in the tariffs of Companies in which the Company concurs, the rate, rule, regulation or provision contained in this tariff shall prevail.

2.1.2 Should there be any conflict between this tariff and the Rules and Regulations of the Commission, the Commission's rules shall apply unless otherwise established by the courts.

2.2 AVAILABILITY OF FACILITIES

2.2.1 General

The Company's obligation to furnish, or continue to furnish, telecommunications service is dependent upon its ability to obtain, retain, and maintain, without unreasonable expense, suitable rights-of-way and facilities, and to provide for the installation of those facilities required to furnish and maintain that service.
