SECTION 2 - RULES AND REGULATIONS - (Continued)

2.4 USE OF SERVICE AND FACILITIES

2.4.1 Use of Service

- A. General - The customer is responsible for payment of all charges incurred, regardless of whether such charges are associated with his usage, or that of any of his authorized users.
- B. Transmitting Messages - The Company does not transmit messages but offers the use of its facilities for communications between its customers.
- C. Use of Lines of Other Companies - When suitable arrangements can be made, lines of other telephone companies may be used in establishing connections to points not reached by the Company's lines. In establishing connections with the lines of other companies, the Company is not responsible or liable for any action of the connecting company.
- D. Unauthorized Attachments or Connections - No unauthorized equipment, accessory, apparatus, circuit or device shall be attached to or connected with Company facilities. In case any such unauthorized attachment or connection is made, the Company shall have the right to remove or disconnect the same, to suspend service during the continuance of said attachment or connection or to disconnect service. The customer shall be held responsible for the cost of correcting any impairment of service caused by the use of such attachments or connections and shall be billed for each service call made to his premises because of the use of such attachments or connections.

Except as otherwise provided in this Tariff, nothing herein shall be construed to permit the use of a device to interconnect any Company-owned line or channel with any other communications line or channel of the Company or of any other person.
