SECTION 3 - DESCRIPTION OF SERVICE (CONT'D.)

3.3 Ordering Options (Cont'd.)

3.3.2 Minimum Period of Service

The minimum period for which Access Service is provided and for which charges are applicable is one month. The following changes will be treated as a discontinuance of the existing service and a request for installation of a new service. All associated Non-Recurring Charges will apply for the new service, and a new minimum period will be established:

- A. A change in the identity of the Customer of record; or
- B. A move by the Customer to a different building.

When Access Service is disconnected prior to the expiration of the minimum period, charges are applicable for the balance of the minimum period. The Minimum Period Charge for monthly billed services will be determined as follows: For Switched Access Service, the charge for a month or fraction thereof is equivalent to 50,000 billed minutes of use for the applicable service. All applicable Non-Recurring Charges for the service will be billed in addition to the Minimum Period Charge.
