## INTRASTATE SWITCHED ACCESS SERVICES

### SECTION 2 - RULES AND REGULATIONS (CONT'D.)

#### 2.11 Jointly Provided Access Services (Cont'd.)

2.11.2 The application of non-distance sensitive rate elements varies according to the rate structure and location of the facilities involved:

- A. When rates and charges are listed on a per point of termination basis, this company's rates will be billed for the termination(s) within this company's operating territory.
- B. When rates and charges are listed on a per unit basis, e.g., multiplexing, this company's rates and charges will apply for the units located in this company's operating territory.
- C. When rates and charges are developed on an individual case basis, such rates will be developed for the portion of the service provided by this company.
- D. When rates and charges are listed on a per service basis, these rates and charges will be billed.
- E. When rates and charges are listed on a per line or trunk installed basis, this company's rates will be billed based on the number of lines or trunks specified by the Customer on its order for access service placed with this company.
