## GENERAL INFORMATION

### **29. COMMUNITY DISTRIBUTED GENERATION ("CDG") (Continued)**

29.3.4 The CDG Host must furnish the Company, once each year, no less than 30 days before the CDG Host's 12 month anniversary of commencing CDG net metered service with written instructions for allocating any remaining credits on the CDG Host account after the issuance of its month 12 bill to its CDG Satellites. The CDG Host cannot allocate to its own account. No distribution will be made if instructions are not received by the required date. If the Company does not receive the required notification any undistributed credits on the CDG Host account will be forfeited.

29.3.5 Account Closure – The Company requires an actual reading to close an account of a CDG Host. The Company will close an account on the earlier of (a) the first billing cycle date on which a reading is taken following the requested turn off date, or (b) the date of the special reading date, which the CDG Host may request in accordance with Rule 39.14.4. After the final bill is rendered to the CDG Host, any remaining credits on the CDG Host account will not be cashed out or transferred. CDG Satellites accounts will no longer receive credits once a CDG Host account is closed and the final bill is rendered on the CDG Host.
