SECTION 1 – BASIC LOCAL SERVICE

A. INDIVIDUAL LINE SERVICE

Exchange service is the provision to the customer, either residence or business to the exchange network for the purpose of making and receiving calls at tariffed rates. Exchange service is available in the types and grades listed in this section at the rates listed. These rates are for customers located within the base rate area.

1. Grade of Service

a. Individual Line Service

Individual Line Service is the grade of service providing a central office line for one specific customer only. Two or more lines of the same customer may be grouped together for incoming service if the lines are served from the same central office and terminate at the same premises.

b. Multi-Premises Service

Multi-Premises Service is the grade of service providing a central office line at two or more non-contiguous customer premises. Multi-Premises Service is provided on an individual Line basis only at individual line rates per location.

c. Party Line Service

Party Line Service is the grade of service providing a central office line for two or more customers. Party Line Service may not be available in all types of service.

2. Types of Local Service

a. Flat Rate Exchange Service

Flat Rate Service is provided at a monthly rate with an unlimited number of calls within a specific local calling area. The local calling area for each exchange is specified in this section. Flat Rate Service is offered on both individual and party line service unless stated otherwise.
