

PSC NO: 10 – Electricity
Consolidated Edison Company of New York, Inc.
Initial Effective Date: 02/28/2016

Leaf: 92
Revision: 1
Superseding Revision: 0

GENERAL RULES

10. Meter Reading and Billing - Continued

10.11 Reactive Power Demand Charge

- (1) The Reactive Power Demand Charge is applicable to the following Customers served under SCs 5, 8, 9, 11, 12, and 13, provided the metering has the capability of measuring and recording Var:

(a) Existing Customers:

- (i) if they were subject to the Reactive Power Demand Charge on or before October 1, 2015; and
- (ii) each October 1 thereafter, if they are not already subject to the Reactive Power Demand Charge and the Customer's maximum demand both: a) equals or exceeds 500 kW in any two months during the annual period ending September 30 of the preceding year, and b) exceeds 300 kW in any month during the annual period ending September 30 of the current year,

beginning with the later of the Customer's first bill that is issued with a "from" date on or after October 1 of the current year or the Customer's first bill that is issued with a "from" date six months after the date that kVar interval data is first made available via the Internet, subject to the provisions specified below:

1. Reactive Power Demand Charges will commence no later than the Customer's first bill issued with a "from" date on or after October 1 of the following year.
2. If the Company is advised by the telecommunications carrier that access was denied to make the communications service operational or if the Company was unable to install a Var meter because the Company was denied access to the Customer's premises, billing will commence the later of: the Customer's first bill that is issued October 1 of the applicable year if the Customer is subject to Reactive Power Demand Charges; or the first bill issued with a "from" date six months after the Company was notified by the telecommunications carrier that access was denied or six months after the Company was denied access to install the Var meter, as applicable.
