PASNY DELIVERY SERVICE

Additional Delivery Charges and Adjustments - Continued

(H) Other Charges and Adjustments - Continued

(3) Charges Associated with the Brooklyn/Queens Demand Management Program

A charge will be applicable to service under this Rate Schedule to recover the allocation to PASNY of costs related to the Brooklyn/Queens Demand Management Program, until these costs are recovered in base rates, pursuant to the Commission's Order in Case 14-E-0302, issued December 12, 2014. The amount to be recovered under this Rate Schedule will be based on the PASNY Allocation.

(4) Charge to Recover Standby Performance Credits

A charge will be applicable to service under this Rate Schedule to recover the cost of Standby Performance Credits provided to PASNY Customers pursuant to General Rule 20.5.3 of the Schedule for Electricity.

(5) Charges Associated with the Targeted Demand Management Program and Demonstration Projects

A charge will be applicable to service under this Rate Schedule to recover the allocation to PASNY of costs related to the Targeted Demand Management program and Reforming the Energy Vision Demonstration Projects, unless these costs are recovered in base rates, pursuant to the Commission's Order(s) in Case 15-E-0229. The amount to be recovered under this Rate Schedule will be based on the PASNY Allocation.

(6) Contribution to Gas Fixed Charges

Charges will be applicable to service under this Rate Schedule and the Schedule for Electricity to recover the allocation to electric customers, commencing January 1, 2017, of fixed charges related to Con Edison's firm gas pipeline agreements that provide capacity to Con Edison's gas Citygates (*i.e.*, the points where the Company receives deliveries from an interstate pipeline), adjusted for electric customers' pro rata share of supplier refunds associated with charges to which they contributed. The amount to be recovered under this Rate Schedule will be based on the PASNY Allocation.

(7) Statement of Other Charges and Adjustments

The amount to be charged for Demand Management Programs, the Charge for PJM OATT Rates and Charges, Charges Associated with the Brooklyn/Queens Demand Management Program, Charge to Recover Standby Performance Credits, Charges Associated with the Targeted Demand Management program and Reforming the Energy Vision Demonstration Projects, and Contribution to Gas Fixed Charges will be separately shown on the Statement of Other Charges and Adjustments ("OTH Statement") filed with the Public Service Commission, apart from this Rate Schedule. Unless otherwise directed by the Commission, the Company will file OTH Statements no less than three days before their effective date.
