Service Order: A written request for Communications Services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this tariff, but the duration of the service is calculated from the Service Commencement Date.

Terminal Equipment: Any telecommunications equipment other than the transmission or receiving equipment installed at a Company location such as teleprinters, telephone handsets, or data sets.

User: Any person or entity that obtains the Company's services provided under this Tariff, regardless of whether such person or entity is so authorized by the Customer.
